7:00 - 9 AL & MS ASLA Celebration & Awards Banquet

Jeff Speck, AICP, LEED, AP, Speck & Assoc., joins us for an ASLA celebration and speaks on “Neighborhoods or Nothing: a Designer’s Challenge for the 21st Century.” Formerly Director of Design for the NEA and Director of Town Planning at Duany Plater-Zyberk and Co., Jeff now lectures nationally and is a city planner who advises cities and developers around the world on how to make communities more livable. (1 hr)

saturday, april 18th

9-1:00 “Designing Exceptional Places,” a workshop

with **W. Gary Smith**, ASLA, horticulture therapy consultant from Toronto and **Gene Rotherth**, Director of horticultural therapy at the Chicago Botanical Gardens. With more than 25 years of experience in public garden design and master planning, Gary has distinguished himself as landscape architect who celebrates plants and the connections they offer between people and nature. As an ecological designer and professional horticulturist, he combines art, horticulture and architectural features in innovative ways, exploring the intersection between ecological design and artistic abstraction. As manager of the Buehler Enabling Garden and Horticultural Therapy Services, Mr. Rotherth is responsible for developing and implementing the Chicago Botanic Garden’s Horticultural Therapy Program. (3 hrs)
